Message from the Leader of the Phlock:

Can't believe we are already in May. The year is going by way too fast but at least we are having a great time.

May happy hour will be May 8th at Breakwater Bar & Grill with Jim Colangelo and he is ready to put on a show. May 31st will be our next highway clean up so come out and help us keep Texas highways clean.

San Antonio will have their "Survive" May 16th-18th in Port Aransas and registration is still open. If you stick around Port A Mike Nash will be at Sue Roberts house on May 18th and that night Billy Snipes will be playing at the Gaff. What a fun filled weekend.

It is really a good feeling being a parrot head and meeting so many great folks along the way. I encourage the club to go to other events, house concerts and happy hours and meet the other parrot heads since we are all family.

Going to be busy month so keep watching for emails. Be safe and we will see you down the road.

The lost gringo is right the year is just flying by!!!

Next month is the Parrot Head Looks @40 party and you don't want to miss it. Let me clear something up about a parrot head looks at 40. We are celebrating the term that started June 28th, 1985, at a Jimmy Buffet concert in Cincinnati, OH. Because it stuck look what came out of it. The clubs, the friendships, the party with a purpose and don't forget about the fun times we have as PARROT HEADS. So, register today so you don't regret missing a great time. Plus, the money raised will go to "Singing for Change" which is one of Buffet's favorite charities.

Speaking of big parties have you registered for "Philp Phlop Phloat Phling 2025"? If not you better hurry because this is going to be another great year of food, music, raffles, games and fun. Of course, you should know this event has been nominated for small event of the year in 2023 and 2024. I think this year we need to make a push to get nominated for 2025 and win.

Speaking of being nominated do you know the organization that has the awards? The Trop Rock Music Association (TRMA) is a membership-based organization whose mission is to provide a venue for the promotion of Trop Rock music, promote public awareness, and increase the viability of the genre.

Dedicated to building and promoting the Trop Rock genre and the individuals who participate in that industry, the Trop Rock Music Association works closely with artists, radio stations, venues, festivals, retailers, media and others to help organize and build the infrastructure necessary for Trop Rock music to achieve success and recognition internationally. It's only \$15 a year to be a member to join today.

Phins up!!
